COMPLETE RELAXATION

# A beautiful sleep is essential

Sleep plays an important role in both our physical and mental health. Our body repairs itself and recovers while we snooze, and that leads to a long list of benefits to our body, mind, and soul. Bettgefühl (pronounce as: better-ful) is a German Mattress that designed with the mission to create only beautiful sleep. With over a century of experience since 1888, we know exactly the remedies for your daily restoration, hence a beautiful life.

SUPPORTED BY THE GERMAN MATTRESS SINCE 1888

Optimum Airflow

Extremely Durable

Perfect Balancing

Stress-Free Sleep

Too stuffy during the summer?

It is no longer an issue with Bettgefühl (pronounce as: better-ful) Alexander. This is an exclusive model that comes with BreezyFoam®, which regulates the air according to room temperature at all time for optimum airflow.

One of the essential physics that enable a spring coil's strong performance is to go through stress relieving method via a heat tempering process. This process is mandatory in order to produce spring coils that will stay in their intended shape which in return produces long-term performance.

It is not just extremely durable, but also designed for your comfort sleep. All Bettgefühl spring mattresses are ergonomically designed with the BalanceAct® parallel structure that offers you the most perfect balancing support for your beautiful sleep at night.

Sleep with a peace of mind.

Biorytmic® Sleep fabric cover is imported from Turkey that able to regulates your poor intra-body communication during sleep so that you could be free from sleep deprivation, tiredness and fatigue, which resulted from daily stress.

**It also disperses vibrational energy for a better sleep environment.**
